Fees, expenses or other amounts payable for our financial advice

We charge fees and commissions for financial advice given to you. Any fee or commission charged will depend on the nature and scope of the advice or service we provide. We will discuss and agree the actual fees with you before we proceed and explain how they are payable.

All fees and commissions are paid by the relevant product provider to the Financial Advice Provider (FAP), **Invested Partners Limited**, rather than to any Financial Adviser giving advice on behalf of the FAP.

Invested Partners Limited remunerates Advisers for giving financial advice by way of Salary, Shareholder Salary and/or drawings, which are paid by **Invested Partners Limited** to Advisers, irrespective of any advice given to any specific client.

For services in relation to investment products, commissions or fees are usually paid directly to **Invested Partners Limited** by the relevant product provider, rather than you paying fees to us yourself. However, there may be occasions where we agree a set fee with you for specific advice and service, which we will invoice you for as per our agreement. Any fees, direct or otherwise, will be advised when advice is provided to you.

Conflicts of interest and commissions or other incentives

We are here for our clients and to advise you as best we can. Your interests are our priority, although we do have business relationships with product providers also. From time to time some product providers assist us by providing webinars, conferences and professional development training.

When giving financial advice, Advisers ensure that they prioritise your interests above our own. We follow an advice process that ensures any recommendations are made on the basis of your individual goals and circumstances, and we complete annual training about how to manage conflicts of interest.

Invested Partners Limited undertakes a compliance audit, and a review of the compliance programme every three years by a reputable compliance consultancy firm.

Internal complaints process

If you have a problem, concern or complaint about any part of our advice or service, please tell us so that we can try to fix the problem. We have an internal complaints process and undertake to investigate your concerns promptly and fairly.

Our complaints manager is **Norm Waldon**, who can be reached via email at: norm@investedpartners.co.nz or by telephone on 0274 852035.

Norm will endeavour to reply to you within 48 hours.

You can also write to us at P.O. Box 79205, Avonhead, Christchurch 8446, New Zealand.

If we receive a complaint, we will consider it by following our internal complaints process:

- We will consider your complaint and let you know how we intend to resolve it. We may need to contact you to get further information about your complaint.

- We aim to resolve complaints within 10 working days of receiving them. If we can't, we will contact you within that time to let you know we need more time to consider your complaint.
- We will contact you by phone or email to let you know whether we can resolve your complaint and how we propose to do so.
